GRIGRA

Yachts over 80M.

A wide-angle photograph of a large industrial shipyard at dusk. Two massive, dark blue-painted steel bays are open, revealing the interior where yacht hulls are under construction. The hulls are covered in scaffolding and illuminated by warm yellow lights. The sky is a mix of purple, pink, and blue. In the background, a tall construction crane is visible against the twilight sky. The foreground shows various industrial materials and equipment.

18.12.2018 // 28.03.2019

In 100 days,
we have launched
3 yachts over 100m.
