This brochure in no way constitutes a contract of sale for the boatyard's vessels to any person or company. All information contained herein, including but not limited to technical and performance data, illustrations, and drawings, is non-binding and for purposes of illustration only. The information in this brochure refers to the boatyard's standard motoryacht models available as of the date of publication. Technical and descriptive information is valid only to the extent that it pertains to the specific vessel that is the subject of a purchase. Contract terms are valid only to the extent that they are contained in a contract of sale. This document is based on information available at the time of publication. Despite efforts to ensure the greatest possible accuracy, the information contained herein may fail to cover all details, omit technical or commercial changes that may have been made subsequent to publication, describe features that are not present, and fail to envisage all circumstances that might occur. Any illustrations, photographs, diagrams and examples shown in this brochure are included solely for the purposes of illustrating the text. Due to the different features of each vessel, the boatyard assumes no liability for actual use based on the illustrated applications.
